Eesti
tuleviku heaks

TÖÖELU
www.tööelu.ee

DISINFECT

all doorknobs,
light switches, and
other surfaces that
are actively used!

WEAR GLOVES WHEN CLEANING

gloves are necessary as
detergents may irritate the
skin and/or excessively dry the
skin, and you must always
consider the risk of catching
the coronavirus!

VENTILATE THE PREMISES!

MAKE SURE THAT THE TRASH CANS

are sealable and emptied every
day (throw away all plastic
bags that may contain napkins
used by an infected person)!

Contact the Labour Inspectorate for any
questions on occupational safety and
health at the information line **640 6000**

Additional information on the coronavirus
and occupational matters is available at
